**Re: Mitigation Order on Consent No. P-121-07**  
**Community Advisory Group Meetings 2011**

Dear Ms. Cross:

Freeport-McMoRan Corporation, Copper Queen Branch (CQB) submits to Arizona Department of Environmental Quality (ADEQ) this request for a modification of the Mitigation Order requirement for the year 2011 to schedule four Community Advisory Group (CAG) meetings. CQB held CAG meetings on July 19, 2011 and October 25, 2011. The October CAG meeting had just one CAG member in attendance and the CAG has not expressed a desire to hold any other meetings this year. Therefore, CQB requests that ADEQ concur that two meetings in 2011 is adequate and meets the objective of the Mitigation Order.

If you have any questions regarding this request, please contact me or our project manager Stuart Brown at (602) 366-8303.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Rebecca A. Sawyer'.
