Freeport-McMoRan’s Bagdad mine operations generated almost $125 million in economic benefits for Yavapai County and more than $274 million for Arizona in 2018. How does that add up?

**Yavapai County**

- **Compensation**: $82.8 MM
- **Business Taxes**: $6.7 MM
- **Vendor Purchases**: $4.2 MM

**Direct Impact**

- **Spending by Employees**: $18.6 MM
- **Spending from New Tax Revenues**: $9.9 MM
- **Vendor Purchases**: $2.7 MM

**Indirect Impact**

- **Total**: $124.9 Million

**Arizona**

- **Compensation**: $93.6 MM
- **Business Taxes**: $8.5 MM
- **Vendor Purchases**: $55.9 MM

**Direct Impact**

- **Spending by Employees**: $32.8 MM
- **Spending from New Tax Revenues**: $39.6 MM
- **Vendor Purchases**: $43.9 MM

**Indirect Impact**

- **Total**: $274.3 Million

The Bagdad operations employed almost 1,000 — and the ripple effect of wages and taxes plus services we purchase creates another 1,751 jobs in the state, generating additional economic benefits.
