

## 2023 Mining Local Procurement Reporting Mechanism (LPRM) Disclosure Index

Freeport-McMoRan Inc. (Freeport-McMoRan or FCX) reports in accordance with the Mining Local Procurement Reporting Mechanism (LPRM). As per the objectives of the LPRM, the following list of disclosures provide relevant information on our mining locations and local procurement activities. Potential and existing suppliers may choose to use this information to make informed decisions in their efforts to supply goods and services to our mine sites. Please see “Cautionary Statement” at the end of this document.

### About Freeport-McMoRan

FCX is a leading international metals company with the objective of being foremost in copper. Headquartered in Phoenix, Arizona, FCX operates large, long-lived, geographically diverse assets with significant proven and probable reserves of copper, gold, and molybdenum. FCX’s portfolio of assets includes the Grasberg minerals district in Indonesia, one of the world’s largest copper and gold deposits and significant operations in North America and South America, including the large-scale Morenci minerals district in Arizona and the Cerro Verde operation in Peru. FCX has also achieved the Copper Mark, a comprehensive assurance framework designed to demonstrate the copper industry’s responsible production practices, at all sites globally. Additional information about FCX is available at [fcx.com](http://fcx.com).

LPRM #	Disclosure Title/Description	FCX Mining Operations by Geographic Location

		North America (U.S.)	South America (Chile & Peru)	Indonesia
201	<b>Policy on Local Suppliers</b> a. Report the existence of any mine site-specific local procurement policy and / or other company policies or company standards that include local procurement:	Our U.S.-based sites follow the North America local procurement strategy standard operating procedure emphasizing local procurement. In addition, all FCX sites are governed by our <a href="#">Social Performance Policy</a> , which defines our support for host communities.	Operations in Chile and Peru both have a documented local procurement strategy. In addition, all FCX sites are governed by our <a href="#">Social Performance Policy</a> , which defines our support for host communities.	Grasberg has a documented local procurement strategy standard operating procedure. In addition, all FCX sites are governed by our <a href="#">Social Performance Policy</a> , which defines our support for host communities.
202	<b>Accountability on Local Suppliers</b> a. Report the name of the mine site departments responsible for local procurement:	FCX's global supply chain team manages local procurement. Global supply chain site leaders are the key personnel responsible for local procurement at each mine site.		
203	<b>Major Contractors and Local Suppliers</b> a. Report if and how the mine site requires major suppliers / major contractors at the mine site to prioritize local suppliers: b. Explain how the reporting organization evaluates its major suppliers / major contractors on their local procurement:	As per our Business Partner Code of Conduct, we encourage business partners to maximize local development opportunities by hiring and procuring locally, to the extent feasible, to maximize the positive impacts of our supply chain in the local economy. The expectation for suppliers to contribute to the social, economic and institutional development of host communities is also included in our <a href="#">Social Performance Policy</a> . Evaluation criteria varies based on type of good or service provided. All suppliers are expected to abide by our Business Partner Code of Conduct and follow all other policy documents publicly available under the "Policy Documents" section of the "Suppliers" page of our website at <a href="https://www.fcx.com/suppliers/tools-for-suppliers">https://www.fcx.com/suppliers/tools-for-suppliers</a> .

<i>LPRM #</i>	<i>Disclosure Title/Description</i>			
		<i>North America (U.S.)</i>	<i>South America (Chile &amp; Peru)</i>	<i>Indonesia</i>
204	c. Provide information on requirements and support for pre-qualification (if applicable, provide phone numbers, emails, or URLs):	FCX seeks to establish mutually beneficial, long-term relationships with suppliers who demonstrate their commitment to our Business Partner Code of Conduct, which is based on our Principles of Business Conduct. Suppliers are expected to abide by the laws of the countries in which they operate and conduct business according to our Business Partner Code of Conduct, even if local customs or practices differ from standards in our Business Partner Code of Conduct. Suppliers may be asked to complete an online questionnaire focused on issues of anti-corruption, international trade controls, and human rights compliance via the Freeport Compliance eXchange (FCeX) online due diligence compliance platform. All suppliers are expected to abide by our Business Partner Code of Conduct and follow all other policy documents publicly available under the "Policy Documents" section of the "Suppliers" page of our website at <a href="https://www.fcx.com/suppliers/tools-for-suppliers">https://www.fcx.com/suppliers/tools-for-suppliers</a> .		
	d. Provide information about local supplier development programs or supplier capacity support (if applicable, provide URLs and phone numbers):	Each mine site works with their community development managers, non-governmental organizations, and Indigenous partners (where applicable) to identify initiatives to enhance opportunities for local suppliers. Examples of such initiatives include participating in supplier fairs, roundtables, chamber of commerce meetings, open house events, promoting our economic empowerment and small business training and certification programs, such as DreamBuilder, and partnering with WEConnect International. In addition, both Cerro Verde and El Abra provide reduced payment terms for qualifying small and medium sized local businesses.		
301	<b><i>Categorizing Suppliers</i></b>			
	a. Report how the mine site categorizes suppliers based on (i) geographic location; (ii) level of participation; or (iii) level of value addition:	FCX categorizes suppliers based on geographic location by defining suppliers as "local," "national," and "outside home country."		
	b. Geographic location, such as proximity to the site:	For U.S.-based mine sites, local suppliers are identified as those located in the states where we have operations. National suppliers are those located in the U.S. Outside home country suppliers are in countries other than the U.S.	For Chilean operations, local suppliers are identified as those located in the Antofagasta region where we have operations. For Peruvian operations, local suppliers are identified as those located in the city in which we operate. National suppliers are those located in the same country as the operation. Outside home country suppliers are in countries other than the operation.	For Grasberg, local suppliers are identified as those in the cities/towns surrounding the operations. National suppliers are those located in Indonesia. Outside home country suppliers are in countries other than Indonesia.

302	<b><i>Breakdown of Procurement Spend</i></b>			
	a. Report the breakdown of procurement spend for each category of supplier provided in “Disclosure 301, Categorizing Suppliers,” including international suppliers:	Breakdown of local procurement spend for each category of supplier is expressed as both a financial amount and percentage of total spend. Information for procurement spend on local suppliers at each site is further broken down by major spend families (goods and services). The breakdown is publicly available in the Performance Data section of our most recent Annual Report on Sustainability, which can be found at: <a href="http://www.fcx.com/sustainability/reports-and-documents">www.fcx.com/sustainability/reports-and-documents</a> .		
401	<b><i>Due Diligence Processes</i></b>			
	b. Report the supplier due diligence processes used at the mine site to avoid purchasing from suppliers with problematic behavior:	New and existing suppliers may be asked to complete an online questionnaire focused on issues of anti-corruption, international trade controls, and human rights compliance via the FCeX online due diligence compliance platform. Completion of the questionnaire enables FCX and its affiliates to conduct supplier-specific risk assessments to ensure that we and those with which we work operate in compliance with relevant U.S. and international laws. Suppliers are also monitored using the Ariba Supplier Risk module, which monitors financial, operational, environmental & social, and legal & regulatory risks. Furthermore, all suppliers are expected to abide by FCX's Business Partner Code of Conduct and other policy documents, which are publicly available under the "Policy Documents" section of the “Suppliers” page of our website at <a href="https://www.fcx.com/suppliers/tools-for-suppliers">https://www.fcx.com/suppliers/tools-for-suppliers</a> . The FCX Compliance Line is available 24 hours a day, seven days a week for business partners, including suppliers, to report incidents or other concerns that raise legal or ethical concerns.		
402	<b><i>Anti-Corruption Policy</i></b>			
	a. Report the existence and location of any anti-corruption policy it has and / or any policies that are intended to prevent corruption in their procurement processes and in their suppliers:	FCX's Anti-Corruption Policy and Business Partner Code of Conduct, which apply to FCX’s suppliers, are publicly available under the "Policy Documents" section of the “Suppliers” page of our website at <a href="https://www.fcx.com/suppliers/tools-for-suppliers">https://www.fcx.com/suppliers/tools-for-suppliers</a> .

403	<b>Training and Guidance for Suppliers</b>			
	a. Report information and training provided to suppliers on best practices related to due diligence processes:	To prepare suppliers for business, FCX's health and safety policies and other Company policies are publicly available under the "Policy Documents" section of the "Suppliers" page of our website at <a href="https://www.fcx.com/suppliers/tools-for-suppliers">https://www.fcx.com/suppliers/tools-for-suppliers</a> .		

### Cautionary Statement

This document contains links to documents that contain forward-looking statements. Forward-looking statements are all statements other than statements of historical facts. We caution readers that forward-looking statements are not guarantees of future performance and actual results may differ materially from those anticipated, expected, projected, or assumed in the forward-looking statements. Important factors that can cause our actual results to differ materially from those anticipated in the forward-looking statements include, but are not limited to, the factors described under the heading "Risk Factors" in our Annual Report on Form 10-K for the year ended December 31, 2023, filed with the U.S. Securities and Exchange Commission (SEC), as updated by our subsequent filings with the SEC, and available on our website at [fcx.com](http://fcx.com).

Many of the assumptions upon which our forward-looking statements are based are likely to change after the forward-looking statements are made. Further, we may make changes to our business plans that could affect our results. We undertake no obligation to update any forward-looking statements, which speak only as of the date made, notwithstanding any changes in our assumptions, changes in business plans, actual experience, or other changes. While certain matters discussed in this document and described in the linked documents may be significant and relevant to our investors, any significance should not be read as rising to the level of materiality for purposes of complying with the U.S. federal securities laws and regulations or the disclosure requirements of the SEC.
